Would you like to get more done, make more money, and rediscover the joy of business? This book is for you. 95 mini-lessons on fast forward business thinking plus BONUS materials on sales, leadership, creativity, innovation, networking and a huge resource section. **\$20.00**

THE SALES SCIENCE MANUAL. If you are a sales executive, sales manager, or corporate officer responsible for sales and marketing results, this manual is for you. Sales Science is geared to real-world selling. No theory. No gimmicks. Just practical selling breakthroughs. Topics include: Why most sales training doesn't work; Defining your personal sales strengths; Prospecting, netweaving, and marketing magnetism; The chemistry of first contact, smart questions, and sales alchemy; The psychology of face-to-face, urgency, and managing risk; The physics of presence and sales leverage. This manual brings big-company thinking together with entrepreneurial ideas to create sales success. Complete with reproducible worksheets, tools, and a huge resource section. **\$99.00**

THE FORTUNE COOKIE BUSINESS BOOK. "Many receive advice, only the wise profit by it." So it is with this collection of over 500 micro-lessons for the world of business. Each entry is a point for meditation, application – perhaps even the call to action you've been waiting for. After all, sometimes the best thing to do is "Confront yourself" or ask "Did today matter?" With fortunes, like with contemporary art, so often the meaning is in the eye of the beholder. And what you see depends on what you're looking for and what mood you're in, who you're with, and what you're experiencing in other parts of your life. It is in this spirit that David Newman shares these bits of business wisdom with you. **\$13.00**
